ANTIOCH, ILLINOIS, THURSDAY, JUNE 29, 1967

VOL. LXXXII NUMBER 1

Off to the Fair! As Antioch Grade School students boarded the bus to start their trip to Expo '67, the bus driver affixed an Antioch Diamond Jubilee plate to the buses that carry the youngsters on their trip.

First Entries In Jaycee Beauty Pageant

Twenty girls from the Lake Region will be vying for the title of Miss Lake Region in the preliminaries of the Lake Region Jaycees Beauty Pageant on July 29.

Entries are coming in to the Jaycee Pageant officials now. No more entries will be accepted after twenty contestants have entered the contest.

Two of the entrants to date are Holly Steichmann and Denise Prather.

Denise is 17 years old and will be a senior next year at Antioch High School. She is 5'5" tall, weighs 116 lbs. and her measurements are 33", 23", 33". She has an olive complexion and brown eyes. She is sponsored by the Antioch Savings & Loan.

Denise is a member of the band at ACHS. She hasn't decided where she will go on to school at graduation but would like to go into interior decorating.

She has many hobbies, mainly outdoor sports—swimming, tennis, skate board, water skiing and music. She belongs to the GAA, the Spanish Club, the FTA and the Pep Club.

Denise will do a pantomime for her talent act. Her home is in Lake Villa. Holly Steichmann lives in Ingleside and graduated from Grant Community High School in June. She plans to go to Northern Illinois University.

She's 5'6" tall and weighs 123 pounds. Her measurements are 36", 26", 36". She has dark brown hair, a fair complexion and blue eyes. She is sponsored by Stringer Motors.

Holly is active in 4-H work. She has belonged to a 4-H Club for seven years. She won the Grand Championship for cooking at a 4-H Club show. She received the Illinois Citizenship Award for her work with grade school children and received the Illinois Teacher Education

Denise Prather

Holly Steichmann

Scholarship. She was a Junior Leader of a 4-H Club.

To enter the Beauty Contest, girls must be unmarried, between the ages of 17 and 24 as of Sept. 1, 1967, and live in the Lake Region. Entries must be in by July 15. Each girl is sponsored by a local business, and a dinner for the contestants and sponsors will be held on July 23.

Legion Carnival in Antioch Next Week

If you're looking for recreation during the week of July 4, you can find it at the American Legion Carnival, starting July 4, in Antioch and continuing through July 9th.

The Carnival will be held at the Antioch High School parking lot on Main St. this year, weather permitting, the old high school football field will be used for parking.

Bill's Pure Oil Service Station, on the corner of Route 173 and 83 adjacent to the high school, has given the Legion officials permission for use of toilet facilities at the station for the carnival.

Chairman of the carnival is Don Gaston. Jack Horan is co-chairman.

Gaston promises that there will be all sorts of rides for the thrill-seeking crowd, and the usual Midway entertainments for everyone. There will be numerous booths and concessions with games of skill, and various side shows. Food will be available on the grounds.

The Legion carnival has been a highlight of the July 4 holiday for several years. It was located in the village

parking lot in previous years. This year, the village board asked the Legion to try to find a different site for the carnival so as to leave the village parking lot open for use of shoppers.

All proceeds of the carnival go to support worthy causes to which Antioch Legion Post No. 748 lends its support, such as child welfare and other veterans' benefit projects.

Vandals To Sweat It Out

The three juveniles who vandalized the Little League stand and the Antioch Pool last Saturday night will have time to consider the folly of their actions while they work for their victims, in addition to making financial restitution.

The three boys were apprehended by Sgt. Jack Davis of the Antioch police. The parents agreed to make financial restitution for the damages, and to having the boys also work at the Little League park and the Pool.

The boys broke into the Little League stand Saturday night and took candy (continued on page 3)

AGS Band At Expo 67

The Antioch Grade School Band is in Montreal enjoying the sights of Expo 67. The trip is the culmination of a long-worked-for dream.

The band, under the direction of George Olisar, was invited to play at Expo 67. This is a rather unusual honor to be accorded a band from a small-town school. So, while working to take advantage of the honor, the Band

(continued on page 3)

No Mail Delivery On 4th Of July

The Antioch Post Office will observe regular holiday schedules on Tuesday, July 4.

There will be no regular window or delivery services. Mail will be picked up from deposit points on holiday schedules.

The post office lobby will be open from 6 a.m. to 6 p.m. for the convenience of those having lock boxes.

Village Employees Get Long Weekend

The Antioch Village Hall will be closed Monday, July 3, and Tuesday, July 4.

The Antioch Public Works Department employees will also get a long holiday for the 4th of July holiday.

CLOSED FOR HOLIDAY

The Antioch News office will be closed Tuesday, July 4, in observance of the July 4th holiday.

Because of the holiday, we request that advertisers get their ads in by noon Monday. The paper will be published on Thursday, as usual.

ACHS Board Thanks Long-Time Member

Roger Prosise, a member of the Antioch High School Board of Education for nine years, was presented with a plaque in appreciation of his services at a meeting of the Board last Wednesday night.

Mr. Prosise was not a candidate for re-election to the board at the last election. William Brook, president of the Board, made the presentation.

Mr. Prosise said he "still feels a little guilty when board meeting night comes and he hasn't studied the agenda."

After the presentation the Board proceeded with its normal business.

A tentative budget for the 1967-68 school year was approved and will be published July 13, and adopted by the board thirty days later.

The board accepted the low bid of \$675.50 made by Stewart Hoehne of Ingleside for re-surfacing three areas of blacktop on the athletic field. The areas are the pole vault runway, the broad jump runway and the high jump take-off area.

Permission was given to the committee in charge of the Historical Pageant for the Diamond Jubilee to use the high school for the week of August 3 without charge.

The resignations of two teachers and a secretary were accepted. Mrs. Geraldine Cerling, Highwood, has taught Home Economics at ACHS for one year, and will

be teaching at Glenbrook South next year.

Norman Craig, who has taught electronics and electricity at ACHS for the past two years, is resigning to go into industry. "He'll be hard to replace," Superintendent Albert Dittman commented. "In this line, industry bids so high we can't compete with them."

Mrs. Phyllis Beatty, secretary, resigned because her husband was transferred and she will be leaving the area.

Two teachers were employed by the board. Mrs. Cheryl Bassler will teach English at the high school. She has taught for three years, the last year at Salem Central High School. She is a graduate of Chicago Teachers College.

Morris Tharp will be teaching Social Studies at ACHS next year. He is a graduate of Carthage College and taught last year at Cheyenne Wells High School in Cheyenne, Wyo. In addition to his teaching duties, Mr. Tharp will be assistant Sophomore football coach and assistant sponsor of the Student Council.

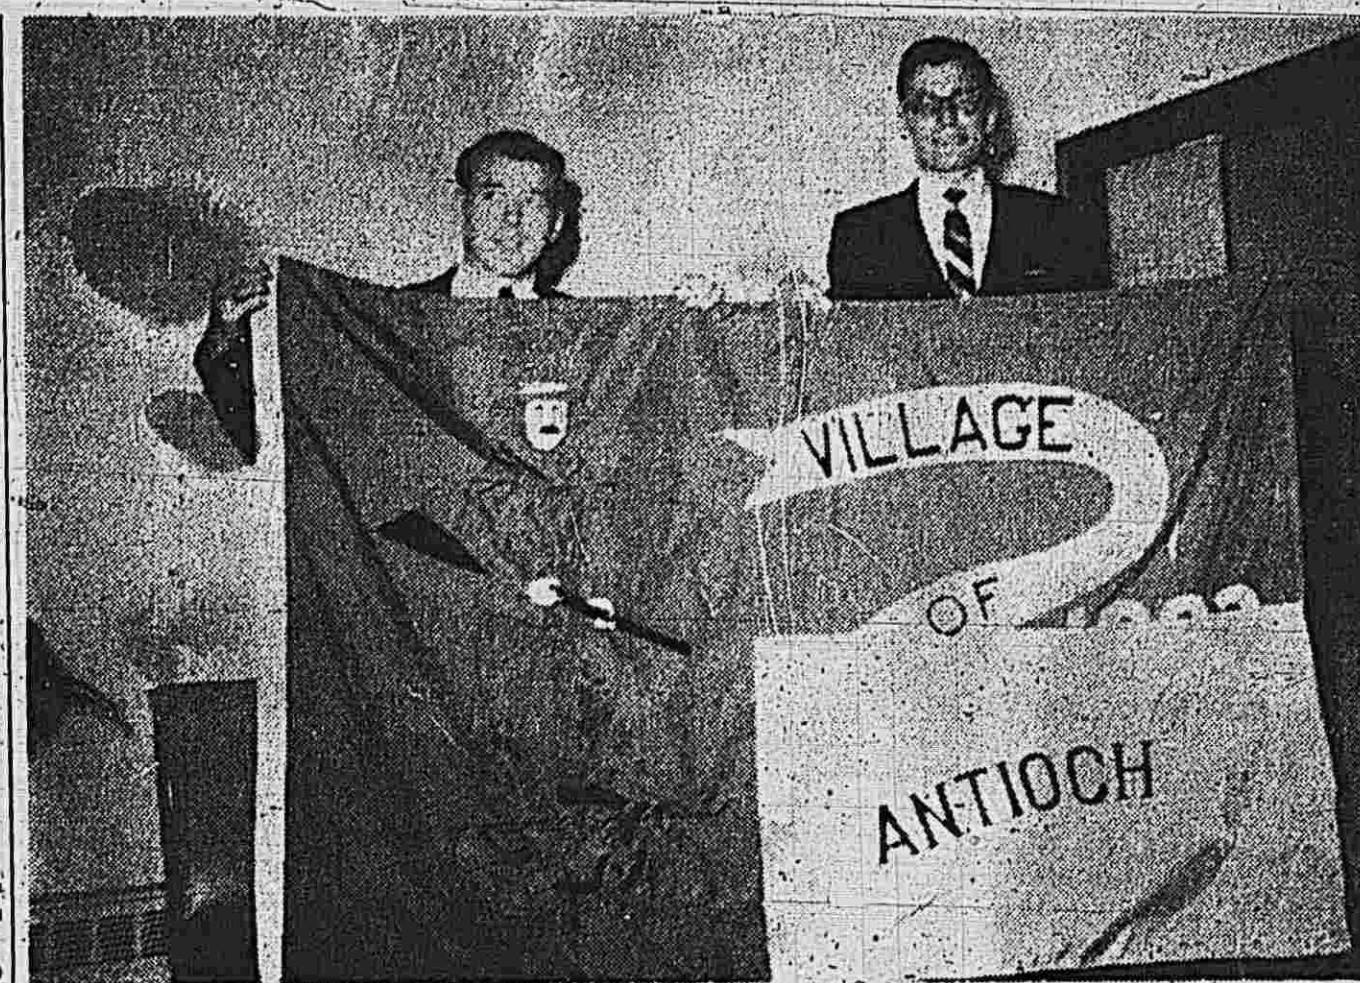

(continued on page 3)

Tryouts For Pageant July 6

Anyone interested in taking part in the Diamond Jubilee Historical Pageant is invited to be at the Antioch High School auditorium at 8 p.m. Thursday, July 6.

The invitation applies not only to those who wish to try out for parts but to anyone who would like to help in the production, such as stagehands, lighting effects men, etc.

Dr. Albert Bucar and Dr. James Kopriva are in charge of the production, which will be staged Thursday night, August 3.

Antioch's new village flag will be presented to Mayor Ray Toft July 4th by the Antioch Chamber of Commerce. Holding the flag are Dale Starkey and Chamber President Jerry Babb.

Antioch Adopts Flag

Independence Day, 1967, the Fourth of July, will mark another milestone in the history of Antioch. The year that the village celebrates its Diamond Jubilee, 75 years after its incorporation, an official village flag will be adopted.

The village flag will be presented to the Mayor and the village board by the Antioch Chamber of Commerce at 10 a.m. Tuesday, July 4,

at the Village Hall. After the presentation, the flag will be raised by Boy Scouts on the flag pole at the village park, on the corner of Broadway and Orchard. The village flag will fly beneath the U. S. flag.

The flag was designed by Antioch High School art student, Don Evanos. Don's design was chosen from about 45 designs submitted by ACIS students. He received

a \$50 Savings Bond for his winning effort.

The flag design contest was sponsored by the Antioch Chamber of Commerce. Dale Starkey, cashier of the First National Bank of Antioch, was chairman of the project. He was assisted by Mrs. Jane Craner, art teacher at Antioch High School.

Judges selected the best designs submitted, and turned them over to Chamber officials. The Chamber eliminated some of them, and presented about ten designs to the village board for consideration. From these, Mayor Ray Toft and members of the board selected the design they felt best represented the village.

The flag was received by the Chamber of Commerce last week. Colors are cardinal and gray, the colors of the high school. The figure of an early frontiersman, representing Antioch's pioneer history, is in brown. The year of Antioch's incorporation, 1892, also appears on the flag.

Traffic Toll In Lake County

The Lake County Safety Commission reports that forty-one persons have died in thirty-five fatal accidents in Lake County, as of June 20th.

Nineteen of the accidents involved only one vehicle. Sixteen of the fatal accidents were collisions.

Seven pedestrians and one bicyclist were among the one-car fatalities. The eleven other one-car accidents involved trees, abutments, etc.

Board President William Brook presents a plaque to former board member Roger Prosise in appreciation of nine years of service on the board. Mr. Prosise is on the right.

American Legion Historian John Horan presents an award to Postmaster Joe Wolf and the personnel at the Antioch Post Office in recognition of the public service they have performed via Project Viet Nam. Left to right, Ronald Yates, Howard Pannier, John Horan, Harry Brehm, Postmaster Joe Wolf and Earl Walters.

The Spoilers

There's a few in every crowd. "The Spoilers"—the people who can't seem to bear to see a good thing prosper.

The Spoilers broke into the Little League stand at the Park last Saturday night, stole candy bars and pop, then climbed the fence around the pool and tossed candy, pop bottles etc. into the pool.

Then they prided loose the newly-installed home plate—new this year—and tossed that into the pool, too.

Great sport, obviously. It must have been quite a bit of work, but then these boys had nothing else to do, we presume.

Both the Little League and the pool are facilities that are enjoyed by hundreds yearly. Both were built by the hard work of public-spirited citizens, and are supported by the work of many people.

So Jim Corrigan, who works unceasingly at policing the pool grounds and keeping the area spic and span, a pleasant place and a credit to the village, had to put in a morning of hard work retrieving bits of broken glass from the pool and cleaning out the other debris. And those adults active in Little League will have to find a way to replace the money lost from thefts, repair the broken window and home plate, and restore order to the ruffled stand.

Maybe the boys who vandalized the stand and the pool have enjoyed the benefits of the Little League and the pool in the past. If so, they obviously had no intention of contributing to the projects so that others could enjoy them. If they hadn't enjoyed these particular benefits, they have certainly enjoyed other similar free benefits.

So why would they want to wreck a good thing? If there are enough of these incidents, of course the adults who work so hard at providing them will finally get tired of combating the obstacles and abandon the projects. And Antioch will be a less-enjoyable place to live for a lot of people.

It's pretty hard to understand why anyone would want to be a Spoiler. But there always seems to be a few of them. If they're caught, we'd like to see them not only pay for the damage they do, but have to put in a good many hours of hard work cleaning up any unsightly spot in the village. They might, then, gain a little appreciation of how much work goes into keeping a good project going.

Courthouse Notebook

BY LOU DURKIN

Anybody who would drive a round trip of 750 miles and ride a boat in a rain storm for eight hours just to play nine holes of golf in the rain must be some kind of a nut.

To which we must plead guilty over the weekend past.

The land travel was to Detroit for a soggy if not Lost Weekend and the boat travel was on the Detroit River, Lake St. Clair, and the St. Clair River enroute to a somewhat flooded golf course.

It wasn't a steady downpour, erupting only when you stuck your head out from under the canopy. And it wasn't as hard as the rain enjoyed here, but it was well laden with coal dust, various acids, smoke and dust. A typical industrial city rainfall.

The trip up river started uneventfully enough except the engines on one of the boats wouldn't start and then we couldn't get the mooring lines loose because of the previous night's rain.

Underway only an hour behind schedule we made our rendezvous with the second boat of the tiny cavalcade and broke open the ice chest, taking the word of our navigator that the sun, if it had come out, would have been well over the yardarm.

The first hour was routine enough except for crashing glasses and bottles as the boat pitched in the swells

from the huge lake steamers.

The next suggestion that all was not to go well was the solid thump on the hull and propellers followed by a teeth rattling vibration from a tortured prop.

Fortunately the nearest marina where the boat could be hauled out was only 20 miles away and we limped into the pier for repairs, which of course, could not be taken care of immediately.

This mishap prompted much transfer of viands and vittles to the other boat which struggled out with a load of 20 people, only slightly in excess of the maximum number which the Coast Guard felt should be carried on a 30 ft. cabin cruiser.

Below deck assignments were made in case a Coast Guard party boarded and we wallowed along towards our destination, the St. Clair River Country Club.

There is one thing to be said for playing golf in the rain; you usually have the course pretty much to yourself. Of course, you don't get much roll on the ball and this has a tendency to send the scores soaring.

The return trip was comparatively dull since there were only a few cases of seasickness which could not be blamed entirely on the weather.

Detroit is a great boating area and is reputed to have

the second largest concentration of boats in the world.

Scores of huge marinas line the shores of the Detroit River, the St. Clair, and the huge lake and there are inns, oases, resorts, and fueling stations for man and boat to suit every taste and every pocketbook.

Passing the huge lake steamers with their cargoes of coal and ore and the freighters from Germany, France, and England, adds a touch of adventure to boating in the area, a far cry from a day on the Chain O' Lakes.

We didn't make all the stops, but it is unlikely any offers quite the exotic touch of Blarney's Island, however.

While the group we were with were more interested in the company politics of the firm with which they were associated, we did exchange views with a group of newsmen and local political affidos.

The feeling seemed to be that Michigan Governor George Romney would be in the running for the Republican Presidential nomination, but there was a curious lack of animation in his discussion of him and his chances.

The consensus seemed to be that California Governor Ronald Reagan and New York Governor Nelson Rockefeller would go into the convention as the strongest candidates, but that Illinois Senator Charles Percy would likely emerge with the nomination after a bitter convention fight.

A change in general contractors on the county administration building has given the sidewalk superintendents in and around the courthouse some new activity to observe.

The new contractor, who will also be the general contractor on the courts and jail building, has scores of men on the uncompleted administration building and there is considerable optimism that completion will come before the first snowfall.

In fact, County Board Chairman Lloyd E. Murrie is hopeful now that he will be able to occupy the new office of the county board chairman before his term expires in April, 1968.

Construction on the second phase of the county building program is slated to get under way by July 1 and if the action on the first phase is any indication the work under the new general contractor should proceed on schedule.

The experience with the original contractor on the administration building indicates once again that public officials should pay more attention to the "responsible" qualification in bid letting than to the low bid price.

Too often a contractor will submit a low bid and get a contract, but through incompetence or insufficient capital be unable to do the job.

Taxpayers in Lake County will be jolted an extra \$1,400,000 in interest payments over the 20-year life of the bond issue for the courts and jail building program because of the rise in interest rates since the bonds were sold for the original portion of the building complex.

Higher building costs for labor and materials have boosted the total cost well above what it would have been if the entire complex had been planned for immediate construction.

County employees will be moved into the new parking lot north of the courthouse this week so the contractors can start work south of the old courthouse.

The County of Lake will lease the parking area from the Lake County Building Commission under an agreement signed Monday and the public will be excluded from the County st. parking.

Some revenue will be lost as a result of the move, but the parking lot was far from paying its way anyhow, so there will be no great decrease in income from the parking fees.

The 1967 session of the Illinois General Assembly ends Friday, but it is almost certain that instead of adjourning sine die, the legislature will adjourn to a day certain, probably in September.

This will enable the Republican-controlled Assembly to reconvene and override any

ALONG THE WAY with Annie Mae

Despite the foul weather, our Firemen's dance was a huge success, with many families making a return visit to Antioch.

It's Three O'Clock in the Morning!

After the firemen's dance last Saturday a few firemen and friends decided they were going on a bus tour! Driven by Denny Volling and assisted by his wife, Gail, Dave and Eugene Nissen, they proceeded to drive around and pick up the firemen who had already retired.

After a rollicking morning of driving around and imbibing a bit, Bill Carney, Bob Odden, Frank Johnson (MC for the trip), Dan Kacek, Bernie Gufowski, Kiefer, Jerry and Peggy Van Patten, Jim Murphy, L.V., Paul Galatti, George Georgson, Les Zitkus, and Ron Cunningham, all re-

turned to the fire station at 9 a.m. to have the largest turnout for a clean-up committee they ever had!

Buzzing Business

Mr. Lew Simon, Sr., of Dairy Queen fame, returned to the store after a recent hospital stay, to find a swarm of bees attached to the building. It was quite a procedure, but they were removed without too much harm!

Congrats!

A special pat on the back to our police endeavors in the recent Little League problem!

Don't Forget

To watch out for the other guy, if you're doing any traveling this weekend. Have a safe and happy Fourth of July.

ANNIE MAE

Your Congressman Reports....

By Cong. Robert McClory

The fundamental questions raised in the censure proceedings involving Senator Thomas E. Dodd of Connecticut are of concern not only to the United States Senate but to every public official, holder and potential political candidate.

Senator Dodd is reported to have received over \$400,000 at testimonial dinners, more than \$100,000 of which he appears to have spent for personal purposes. Part of the Senator's defense is that none of the contributors have complained nor demanded their money back.

However, as the vote revealed, most of Senator Dodd's colleagues disagreed with his reasoning and condemned such personal use of campaign funds.

The Dodd case has focused renewed attention on the entire subject of campaign costs and contributions—and on the method of financing political campaigns of candidates for state and national offices.

Due to the heavy expenses of political advertising—including television, radio and newspaper ads—it is argued that only very wealthy persons can afford to run for such offices. It is, of course, quite true today that many more people of wealth appear to seek state and national elective offices. It has been estimated that in some districts more than \$150,000 may be required to campaign successfully for a seat in the U. S. House of Representatives.

Senator Charles Percy's successful campaign for U. S. Senate last fall is said to have cost in excess of \$2 million. Today, a presidential campaign may cost each candidate more than \$50 million.

How, then, are such campaigns to be financed? Testimonial dinners are scarcely adequate. In addition, the Senator Dodd episode, which involved a series of testimonial dinners, has certainly discouraged this method of raising campaign funds.

Under existing income tax laws and regulations, contributions by individuals to political parties and candidates are not deductible. This means that one who contributes to a political campaign not only donates the amount of his contribution but also foregoes the income tax exemption ranging from 20% to 70% (had this sum been contributed to any qualifying charitable, educational or religious cause).

It would seem to this Member that such a measure would bring the subject of campaign funds and expenditures out into the open and would, at the same time, encourage a large number of modest contributors to support the candidates and political parties of their choice.

It appears that the political well-being of our Republic depends upon candidates and parties remaining completely free of government control. In addition, to maintain a high degree of independence for political leaders and office holders requires far greater participation by more citizens in support of political parties and candidates.

Despite the dismay occasioned by the Dodd case and other well publicized examples, these acts may provide the needed impetus to achieve healthier politics at every level of our Republican system of government.

political parties and candidates are not deductible. This means that one who contributes to a political campaign not only donates the amount of his contribution but also foregoes the income tax exemption ranging from 20% to 70% (had this sum been contributed to any qualifying charitable, educational or religious cause).

The Johnson Administration proposed and secured enactment in the closing days of the last Congress of an Act, advanced by Senator Long of Louisiana, whereby a taxpayer would be authorized to check off voluntarily \$1 of his federal income taxes—to be applied to a Presidential Election Campaign Fund. The Fund would provide about \$30 million for campaign purposes to each of the two major presidential candidates every four years. Presumably this device

would have enabled a fairly equal presentation of nationwide TV programs for the National campaign of 1968. However, the device would have precluded individual taxpayers from designating the party to whom they wished their tax deductible dollars to go and would have provided the Federal Government with an enormous fund over which the contributors would have little or no control. The effect of this act has been suspended pending the passage of further legislation.

A far more sensible approach would seem to be that which has been developed by the House Republican Policy Committee, entitled the Election Reform Act of 1967. This proposal (a) would require more detailed and accurate accounting of campaign contributions and expenditures, (b) would flatly prohibit contributions of more than \$5000 to any one candidate or campaign, and—most significantly—(c) would permit income tax deductions of individual contributions up to \$100 for any political party or candidate.

It would seem to this Member that such a measure would bring the subject of campaign funds and expenditures out into the open and would, at the same time, encourage a large number of modest contributors to support the candidates and political parties of their choice.

It appears that the political well-being of our Republic depends upon candidates and parties remaining completely free of government control. In addition, to maintain a high degree of independence for political leaders and office holders requires far greater participation by more citizens in support of political parties and candidates.

Despite the dismay occasioned by the Dodd case and other well publicized exam-

As It Happens—

By Rep. W. J. Murphy

Session Ends?

Under the Constitution of our State, the General Assembly is due to come to a grinding halt and adjourn sine die by midnight of June 30th, which is, of course, Friday at midnight.

Due to "modern day" interpretation, it is possible that for the first time in history this may not happen Friday. They may instead only adjourn to a day certain. If this is done, they may return at any time and consider any subject. However, each Bill to be enacted would then take a two-third majority vote or 118 votes for passage; which would mean that no Party could dominate the scene. Each Bill would have to stand on its merits and

these acts may provide the needed impetus to achieve healthier politics at every level of our Republican system of government.

not on Party lines. This would be good for the people for a change!

No Revenue Measures?

As this paper is being read, the House and Senate will be in a big hassle over the question of acquiring enough revenue to meet the State Budget request of about five and a half billion dollars.

This writer has gone on public record stating that there is no way he will support an increase in sales tax and/or income tax in this session. The governor's proposals for broadening the sales tax to include services goes too far also. If they would amend the request to remove Doctors and Dentists I might consider supporting it. Not that I am protecting the Doctors or Dentists; I am not. I am interested in protecting the aged and the working man that must have medical help and can ill afford to pay an additional 40 cents on the dollar.

I prefer not to support any of these increases. I would prefer to cut and cut until we got the budget down to fit our income. However, this seems to be in the realm of impossible.

papers the land probe committee investigation that I have headed as Chairman of a House Committee. The disclosures before this committee are a flagrant example of the disregard the Bureaucratic State Agencies have for the expenditure of the taxpayer's monies. It is in these areas that we must scan and regulate if we ever expect fiscal sanity in our State. This and a curtailment of over employment by State Agencies in personnel could cut a billion off the budget. A House bill sponsored by the Hon. John Matijevich, Tom Hanahan and myself and two other fine downstate Representatives, William Barr and Charles Campbell, called H.B. 2465 may accomplish this purpose. These same men were members of the investigation committee that had recommended that the Illinois Building Authority cease and desist in this outlandish purchase of land for a \$1000 an acre and over in the Round Lake Area. Reps. Matijevich and Hanahan were diligent and purposeful members of this committee that has probably saved the taxpayers a million dollars expenditure at this time.

AGS Band.....

(continued from page 1)

Parents' Association had in mind the opportunity to give the youngsters a chance to see some of the sights of the World's Fair. The sixty-five youngsters and fourteen adults left Antioch last Saturday morning. Throughout their trip they'll be letting the world know about Antioch's Diamond Jubilee this August. Plates provided by the First National Bank of Antioch were affixed above the bus license plates, proclaiming to all who see the bus the date of Antioch's incorporation and Diamond Jubilee. The band group will have three days of sight-seeing at the Fair, then start the return trip Friday morning. They're expected back in Antioch Saturday morning, July 1.

More than one spotlight on a car is prohibited.

ACHS Board.....

The New Look At The State Bank

There's a new look at the State Bank. It may call for a "double take" on the part of some of the customers. All the girls are dressed alike, in attractive pastel-colored suits furnished to the girls by the Bank.

The girls chose to wear the melon-colored suits this first week, as the practice was initiated. Next week they'll still all be dressed alike, but the suits will be light blue.

The coats and skirts are a soft rayon-cotton combination, worn with a white blouse. All the feminine employees in the bank wear them, including the members of the bookkeeping department.

The girls seem pleased with the innovation, and as the pictures will attest, the appearance is attractive.

Incorporation Finally Approv'd

Although Antioch residents rejected the idea of incorporating at the election on February 25, 1891, the matter was not allowed to rest there.

In the Antioch News of March 19, 1891, the question of when the matter could be brought to a vote again was discussed.

Uncle Tom, ex-Justice, differs with ex-Justice Haynes as to the four years' limitation before we can call another election. Uncle Tom has referred the question in dispute to States Attorney Heydecker. The letter received from said States Attorney Heydecker is left with Editor Burke. The substance of the letter reads: Thomas Wilton, Esq.,

Dear Sir: Your question as to how frequent the question of village organization can be submitted has received such consideration as my busy time will admit, and I find no limitation in the statute thereto any farther than providing he required number of petitioners within the designated territories. If Mr. Haynes has a statute stating four years as a limit I wish you would send No. of Sec. and chapter or date of session law.

Yours Resp.

C. T. Heydecker. The papers of the 1890's carried frequent items concerning the differences of opinion between supporters of Temperance and those who were anti-temperance. An item in the same paper read, "Our sister to the north, Trevor, is somewhat afraid that there will be a saloon locate within her borders. Well, this is the penalty for being prosperous." And, again, Editor Burke needles for action in the coming elections: "Only about two weeks until the Spring elections—and as yet there

URGE CAMP FIRE EXTINGUISHERS

The "camping out" season is on—and the Fourth of July is only a few days away. Ross V. Randolph, director of the Department of Public Safety, recommended that campers supplement their gear with two fire extinguishers, one a pressurized water extinguisher—the other—a C-O-2 type. The water pressure type can be used when sparks start grass fires in the camping area. The C-O-2 is used to extinguish gasoline, kerosene or oil fires, usually from cooking equipment.

Referring to Fourth-of-July observances, William J. Cowhey, state fire marshal, said, "The law is specific and drastic regarding explosive substances."

The only exclusions under the act are toy pistols, toy canes, toy guns or other devices in which paper caps containing 0.25 grains or less of explosive compounds are used.

Zubor, Mrs. Earl Yates and Laura Swanson. And a new name was added to the list of Antioch area servicemen in Viet Nam. He is Tony Murawski.

seems to be no well organized effort being made on the part of our people to select good men for the various town positions. The saloon element are busy at work on the supervisorship; what are our temperance folks doing?" The matter of Incorporation went to a vote a year after it first failed to pass and was approved by the voters on Feb. 29, 1892.

Dealer Attends Class In Outboard Service

Carl Oetting, Haling's Resort, Antioch, recently completed the two-week factory service school program at the Johnson Motors complex in Waukegan.

Selected from Johnson dealerships throughout the world, Mr. Oetting explored the finer points of the famous Sea-Horse line of outboard motors with other members of the class.

The course consisted not only of theory, but also included in the curriculum was Johnson's famous "trouble shooting" course. This course is designed to instruct how to quickly diagnose and repair outboard problems.

The school is expertly staffed by a fifteen member faculty. This staff is the largest and most modern of its kind in the world.

Taxpayer's Lament

A constituent of Rep. George Hansen (R-Idaho) sent him a poem expressing the plight of the taxpayer which the Congressman read on COMMENT, the weekly news radio program of the Republican National Committee. The poem follows: "Now, he's a common, common man, Tax him! Tax his all you can. Tax his house and tax his bed, Tax the bald spot on his head. Tax his bread and tax his meat, Tax his shoes clear off his feet. Tax his pipe and tax his smoke, Teach him government is no joke. Tax the farmer, tax his fowl, Tax the dog and tax his howl. Tax his plow and tax his clothes, Tax the rags that wipe his nose. Tax his pig and tax his squeal, Tax his boots run down at the heel. Tax his cow and tax his calf, Tax him if he dares to laugh. Tax his barns and tax his lands, Tax the blisters on his hands. Tax the water and tax the air, Tax the sunshine, if you dare. Tax the living, tax the dead, Tax the unborn before they're fed. Tax them all and tax them well, And do your best to make life hell!

HIGH LITERACY RATE IN KOREA

Twenty years ago 78 % of the people of South Korea could not read or write. Today, due to an intensive educational effort, the literacy rate is more than 90%.

Statistics Show Increase In April Aid Assistance

Old Age Assistance, Disability Assistance, and Aid to Dependent Children increased during April 1967. This increase was accompanied by a decrease in the number of Blind Assistance and General Assistance. The over-all total of 434,520 included 327,477 persons on Assistance to the Aged, Blind or Disabled and Aid to Dependent Children eligible for

assistance payments and medical care; 46,305 who received Medical Assistance only; 60,738 on General Assistance.

Lake County statistics show that 2,738 persons received a total of \$189,926 in various aids. Four hundred eighty-nine persons received \$59,656 in Old Age Assistance. Recipients of Aid to Dependent Children numbered 1,399. These parties received \$65,728 of State Aid.

Twenty blind received \$2,521 and the disabled were given \$17,696. The disabled number 145 in Lake County. The number of persons receiving General Assistance include 685. The State expended \$4,325 for these persons.

THURSDAY, JUNE 29, 1967 THE ANTIOCH NEWS 4

To Take Part in Grand Assembly

Antioch Assembly No. 23, International Order of the Rainbow for Girls, who meet at the Masonic Temple, 885 Main St., Antioch, are proud of Miss Kathy Gaston, who is appointed Grand Representative to Wisconsin in Illinois, and will partake in the 36th annual Grand Assembly Session to be held at the Conrad Hilton Hotel, International Room from July 12 through to the 15th.

Miss Gaston is a 1967 graduate of Antioch Community High School, where she was a member of the G.A.A. Club, Future Homemakers and Latin Clubs. She belongs to the Antioch Methodist Church. She was in Girl Scout Troops 23 and 110 in Lakeside Council No. 31. She had lessons in dancing and organ, and attended the Future Homemakers Convention in June 1965.

She was initiated into Rainbow on March 11, 1963 and has held the stations of Fidelity, musician, love, before being elected to the presiding office in the May 1966 term. She has served in the Grand Choir in 1965.

Others from Antioch Assembly to partake in Grand Assembly are: Jeannine Dow, who will pay tribute to the American flag; opening the Session on Thursday night will be Denise Fowles at the organ; in the Grand Choir, singing will be Cheryl Pincombe and Denise Fowles. Mrs. Amy Wells is the Mother Advisor.

Gundelech-Wollpert Rites in Barrington

Linda Lee Gundelech became the bride of Bruce L. Wollpert in ceremonies at the Barrington Methodist Church Saturday, June 17. The bride was given in marriage by her father, The Rev. Donald Olson performed the ceremony.

The bride is the daughter of Mr. and Mrs. Lee H. Gundelech of 210 Oak St., Tower Lake, Barrington. The groom is the son of Mr. and Mrs. Arthur W. Wollpert of Antioch.

The bride wore a floor-length gown of silk organza and Chantilly lace over satin. The bodice featured a scalloped neckline and long sleeves. A cut-away overskirt revealed tiers of ruffles. A pearl crown held her veil. She carried a bouquet of daisies and white roses.

Special music was provided by Robert Steffine.

A reception for 125 persons was held at the Wauconda Legion Hall.

The young couple will live in DeKalb where Mrs. Wollpert will finish her last year of college. Mr. Wollpert is a teacher. The bride attended Barrington High School. The groom attended Antioch High School.

chiffon over taffeta, with round neckline and ruffled sleeves, and long sheath skirts. Their veils were held by circlets and and they carried cascades of daisies.

Fagin's Gang in Oliver Twist. Left to right, Gary Burnette, Bryan Sorensen, George Ramsay and Jerry Smouse.

"Oliver Twist" comes to life on the stage of the PM&L Theatre starting July 7. Left to right, Steve Smouse as the Artful Dodger and Ricky Smouse as Oliver.

PM&L Play Is Taken From Dicken's Novel

Palette, Masque & Lyre, first summer production is "Oliver!" This musical play will be given July 7, 8, 9, 14, 15 at 8:30 p.m. and July 16, at 2:30 p.m. in the P.M. & L. Theatre, Main Street, Antioch. For tickets call 395-3613 or pick them up at the General Store, 891 Main St.

The story, taken from Charles Dickens' novel, Oliver Twist, is about an orphan, Oliver, who has many adventures with underworld characters in London during the 1700's. However, this musical is also funny and bright in parts because of bouncy songs such as "Con sider Yourself at Home," "It's a fine life," and "Food, Glorious Food." More dramatic moments are highlighted by "Boy for Sale," "Where Is Love?" and "As long as he Needs Me."

The director, Ken Smouse, calls "Oliver!" a family play not only because children as well as adults will enjoy the show, but also because the cast includes several members of his talented family. Oliver is played by his son, Richard Smouse, the ill-fated Nancy is played by his wife, Betty Smouse, the sly thief Dodger is his son, Steve Smouse, and his son, Jerry Smouse plays one of the boys in the thieves' gang.

The villain, Fagin, is played by Al Ramsay, of Duck Lake. He has been seen in several PM&L productions, as have Don Beveroth of Pad dock Lake, who is Mr. Bum ble; Gloria Davis of Salem, who plays Mrs. Sowerberry; and Bob Thomley of Linden hurst, who is Mr. Brown low. Bob Andersen of Kenosha plays the bad Bill Sikes. Charlotte Worswick of Antioch plays Mrs. Cor ney, and Bob Lindblad of An

CHRISTIAN SCIENCE
RADIO SERIES

7:30 a.m. on WJJD
9:30 a.m. on WAIT (820 kc.)
8:00 a.m. on WLS (890 kc.)

This week's Christian Science program

SUNDAY, JULY 2, 1967

What's behind the current popularity of so-called mind-altering drugs among today's students? Is this attempt to extend the reach of the mind safe? and self-defeating? Listen Sundays at 7:30 a.m., 8:00 a.m., and 9:30 a.m. to Part 2 of "STUDENTS AND DRUGS."

Christian Scientist Discusses Drug-Taking

The following statements are by Robert Peel, author and editorial consultant, to the Christian Science Church. They are taken from an internationally broadcast radio dialogue on "Students and Drugs" carried on the series entitled "The Bible Speaks to you" and will be heard locally in two parts on June 25 and July 2. They will be broadcast over Stations WLS at 8 a.m. and WCLR at 9 a.m.

Drug-taking needs to be looked at in a broader focus—in terms of the basic issues it involves.

What is man basically? Is he really just a physico-chemical organism? Is he a chance configuration of atoms and molecules and genes? Is he just an accidental product of a biological process? And is successful living simply a sort of adjustment to a material environment—a physical and chemical adjustment?

This is the assumption on which most drug-taking rests. But drugs deal with surface effects, with symptoms—not with causes. They don't do anything about basic troubles, which are left to fester beneath the surface. And they cannot bring the sort of peace and satisfaction that comes as we really confront our problems and intelligently solve them.

What about LSD? Some people who have taken LSD say it gave them their deepest religious experience. They are raising important questions that we all need to ask ourselves.

Can religion be reduced to chemistry? There's a craving for unity in people.

But is man's unity with the rest of the universe the unity of billions of dancing atoms?

That's the sort of experience which people have spoken of who have taken LSD—a sort of pantheistic absorption in the material universe.

Is this what The New Testament means when it speaks of God, and says, "In Him we live, and move and have our being?"

One of the central points of Christianity is the immortality of individual identity—the fact that man is not just a material organism, which crumbles into dust and merges with the universe. He derives his existence from the Mind that is God and he has a deathless reality in that Mind.

What about things like intelligence and love, or patience and courage and generosity, honesty—are all these things merely a matter of chemistry? Or are they qualities of mind and spirit, which must come from a different source? Atoms can't create in

telligence or love out of themselves. And if we conceive of God as the divine Mind, the divine Spirit, then we see that these qualities must ultimately derive from Him.

I have seen this come to people as a concrete experience with far greater force than an LSD trip. The consciousness of man's individual relationship with God, his individual sonship, has come with such power that it has raised them up from material circumstances that had seemed almost crushing. The effect is to free us from slavery to material conditions—not to make us dependent on materiality in the form of a drug.

The LSD experience, however mystical, is not comparable in any way with the deep, powerful experience of Christianity, of finding one's real unity with God in a meaningful way that affects all the details of life.

Local 4-H'ers In County, State Contests

The Millburn Hornets 4-H Club held a meeting at the Millburn School on Monday evening, June 26.

Steve Bonadore gave a report on the 4-H District Camp which he and three other Millburn Hornet members attended at Kankakee, from June 13 to June 16.

The County Public Speaking Contest will be held at the Farm Bureau building on June 28, at 6:30 p.m. Heather Hunley will represent the Millburn Club in this contest.

The State Poultry, Livestock, Dairy and Vegetable judging contests are being held June 27th at the University of Illinois at Urbana. Gary Wells will be on the Poultry team and Larry Isbell, Dave and John White are on the Livestock team from the county.

Project reports were given by Dave Fetting on "Guinea Pigs," Mike Grindley on "4-H Livestock Judging Contest," Jeff Schoelzel on "How to Read and Use Drawings in Woodworking," and Allen Larson on "The Parts of a Camera."

Plans for the club's Achievement Fair, to be held on July 16 at Millburn School were discussed. The members wish to extend an invitation to the public to attend their Achievement Fair.

Refreshments were served following the meeting.

Q: How does a radical act when confronted with troubling financial problems?
A: Like a conservative.

It's easy to place a class—just call 395-4111.

DEATH NOTICES

AUGUSTA ANDREWS

Mrs. Augusta Andrews, age 73, of Antioch died Monday morning, June 26, at Lake County General Hospital after a lingering illness. Born July 10, 1893 in Chicago she resided in Antioch the past ten years.

Surviving are one daughter, Mrs. Margaret Stefanski of Antioch; two sons, Francis Andrews of Algonquin and Harold Andrews of Jefferson, Wis.; one sister, Mrs. Josephine Florek of Chicago, and 11 grandchildren.

Funeral services were held Wednesday from the Colonial Funeral Home to St. Peter's Church, where Mass was celebrated at 10:00 a.m. Interment was in Mt. Carmel cemetery, Antioch.

EMMA M. GLEICHNER

Mrs. Emma M. Gleichner, 70 years old of Voltz Lake near Antioch, passed away at 8:50 a.m. on Sunday, June 25, in Victory Memorial Hospital. She was born Sept. 7, 1896, in Chicago and resided there until moving to Voltz Lake in 1945, but had been spending her summer here since 1926.

She held membership in Constellation Chapter No. 661—Order of the Eastern Star, Chicago, Order of the White Shrine of Jerusalem No. 99, Chicago, and the Silver Lake, Wis., Sunshine Club.

Emma M. Klawitter married Oscar Gleichner on June 1, 1915 in Chicago and had celebrated 52 years of marriage together. She was preceded in death by one brother, Emil Klawitter.

Survivors are her husband, Oscar Gleichner; one brother, Herman Klawitter, Silver Lake, Wis.; a sister, Mrs. Martha Ploehm, Chicago, and several nieces and nephews.

Funeral services were held at 1:30 p.m. on Wednesday at the Strang Funeral Home

IT'S YOUR VACATION; ENJOY IT

You can't enjoy long distance driving on that vacation if you are tired, aching or ailing. Drive only when you are physically fit. Avoid tranquilizers, pep pills, and prolonged use of aspirin. Delay that cocktail until you are through driving.

in Antioch. Pastor Wilton Anderson of St. Stephen Lutheran Church in Antioch officiated. Interment was in Liberty Cemetery north of Antioch. Friends called at the funeral home after 1:30 p.m. Tuesday. Eastern Star services were held at 8:00 p.m. Tuesday at the funeral home.

BERT EDWARDS

Bert Edwards, 85 years old of Antioch, passed away at 5:00 a.m. on Saturday, June 24th at his home on Hwy. 173, east of Antioch. He was born Sept. 15, 1881 in Antioch Township and resided here all of his life. Mr. Edwards was a member of the Millburn Congregational Church, was one of the founders and served on the board of the Lake County Fair from 1927 to 1955. He was one of the founders and served as director for many years of the Lake County Farm Bureau, and was one of the founders of the Lake-Cook Farm Supply where he had also served as a director for many years. He had served as president of the Hickory Union Cemetery association for many years.

He celebrated his 55th wedding anniversary this year, having been married to Nettie Christoferson since June 5, 1912. He was preceded in death by his parents George and Ella Edwards who were pioneer residents of Lake County. Four brothers, Earl, Frank, Warren and Roy Edwards and one sister, Miss Mabel Edwards, all preceded him in death.

Survivors are his wife, Nettie; four sons, Homer, of Hinsdale, Ward, of Rockford, Harold, of Vienna, Virginia, and Norman, of Antioch; two daughters, Mrs. Pearl Taylor, of Antioch; and Mrs. Doris Anderson, Marshfield, Wis.; two sisters, Mrs. Eva Alling and Mrs. Cora Erwin, both of Waukegan. Also 16 grandchildren and two great-grandchildren.

Funeral services were held at 1:30 p.m. on Monday, June 26th, at the Strang Funeral Home in Antioch. Rev. L. H. Messersmith of the Millburn Congregational Church officiated. Interment was in Hickory Union Cemetery.

LOUISE A. ULBRICH

Mrs. Louise A. Ulbrich, 79 years old of Channel Lake near Antioch, passed away at 11:45 p.m. on Monday, June

THE ANTIOCH NEWS 5 THURSDAY, JUNE 29, 1967

28, at Maple Hill Rest Home near Lake Zurich, Ill., after an eight year illness.

She was born June 21, 1889 in Winamac, Ind., and had resided in Chicago until moving to Channel Lake in 1947.

She married John R. Ulbrich on June 12, 1909 in Chicago, and he passed away May 29, 1962. She was also preceded in death by a brother, Charles Bransky, and a sister, Mrs. Bertha Hermies. Survivors are two daughters, Mrs. Emily (Harold) Lichter, Chicago, and Mrs. Martha (Lorin) Kimney, of Channel Lake; three sisters, Mrs. Lena Hoefft, Antioch; Mrs. Augusta Ehlers, Chicago, and Mrs. Ida Schultz, Antioch; seven grandchildren and 11 great-grandchildren.

Funeral services will be held at 11 a.m. Saturday, July 1, at the Strang Funeral Home in Antioch. Rev. Wilton Anderson of St. Stephen Lutheran Church in Antioch will officiate at the service. Interment will be in Liberty Cemetery north of Antioch. Friends may call at the Strang Funeral Home after 7 p.m. on Thursday until service time.

Symbol of Better Health

Rx Stands For Prescriptions

There are many theories regarding the origin of the symbol, "Rx". One claims that it is an abbreviation of the Latin word "recipe". Whatever its origin, the "Rx" today symbolizes the prescriptions that help us obtain better health, longer life.

Gas water heaters make sense.

Because modern gas water heaters—with their greater recovery capacity—are designed to keep up with your growing family needs. (A mighty comforting thought if you're last in line for a hot bath!)

Because gas water heaters give you peace of mind. They're solidly built and backed by long-term guarantees.

Because gas water heaters are so economical to operate. (Keep your family in towels with the money you save!)

For more reasons why gas water heaters make sense, call or visit our nearest store or office, or see your plumber-dealer.

Northern Illinois Gas Company

Graduates Accepted At Carthage College

Two 1967 ACIS graduates, Patrick L. Hofkamp and Paul S. Breest, have recently been accepted as incoming freshmen at Carthage College in Kiskadee.

Carthage, the third-oldest of all colleges or universities in the state of Wisconsin, was chartered in 1847. The college is a fully-accredited, four-year liberal arts college supported by the Lutheran Church in America.

Patrick is the son of Mr. and Mrs. Edward Hofkamp of 19 First Avenue, Antioch. Paul is the son of Mr. and Mrs. Robert C. Breest of 2111 Woodlane, Lindenhurst.

Sr. Music Session Lures ACHS Student

In conjunction with the University of Wisconsin, at Madison, Miss Mary Dral, R.T. 4, Antioch, is among the 1,052 students from 11 states who are participating in the senior high school session Summer Music Clinic being held on the University campus in Madison through July 1.

Organized to give students experience in large and small music organizations with specialized training, on individual instruments and voice along with classes in music, the session specializes in the fundamentals of music, music appreciation, and conducting.

HI HO SILVER

An immigrant walked into a New York bank and approached the guard. "Pardon—I'd like to talk with the fella who arranges loans."

"I'm sorry," the guard replied, "but the loan arranger is out."

"Maybe then," said the immigrant, "I could talk to Tonto."

Club To Show Slides

Mr. Harold Lynch of Lake Forest will be the speaker at the meeting of the Co-op Garden Club of Waukegan. The club meeting will be held in the Pioneer Hall, 2424 Washington St., Waukegan, at 7:30 p.m. on July 13. Mr. Lynch will show color slides of many flowers—he has grown. Mr. Lynch specializes in Dahlias. The public is welcome and refreshments will be served.

ON DEAN'S LIST

Melannie Jensen, daughter of Mr. and Mrs. Robert C. Jensen, 477 First Street, is one of 282 Drake University students recently named to the Dean's Honor List for the spring semester of 1967. The requirements include twelve hours or more of credit with a 3.5 grade point average. Melannie is in the College of Fine Arts.

RECEIVE DEGREE

Two Lake Villa students received degrees from the University of Illinois at Urbana in the commencement exercises Saturday, June 17.

They were Lynn Kay Chmelir of Box 328, Lake Villa, who received an AB degree, and Donald Frederic Kick, Rt. 2, Lake Villa, who received a BS.

CHRISTIAN SCIENCE CHURCHES

"I am the Lord thy God, which have brought thee out of the land of Egypt, out of the house of bondage. Thou shalt have no other gods before me."

This verse from Exodus is the Golden Text of this week's Bible Lesson on "God" to be read in all Christian Science churches this Sunday.

The average life of a coin struck of nickel is estimated to be 50 years.

Casimir Lenczewski

Completes 25 Years

Casimir Lenczewski, Antioch, is celebrating his 25th service anniversary with Tele-type Corporation in Skokie, a subsidiary of Western Electric Company.

Lenczewski joined Tele-type's manufacturing organization in 1942. He entered the U. S. Navy in the latter part of the year and returned to his previous position at Tele-type upon completion of his tour of duty in December, 1945. He has worked in the assembly of the company's data communications equipment throughout his career, and is presently responsible for the operation of punch press equipment.

An ardent baseball enthusiast, Lenczewski is a manager of the Little League and Babe Ruth League teams. He and his wife, Jeanette, are the parents of a son, Bob.

AGHS Students Attend Annual FTA Institute

Two Antioch H. S. students recently attended a workshop session at Northern Illinois University. Interested in becoming teachers, Christopher Bobek and Donna at the annual Future Teachers of America Institute.

Chris and Donna arrived on Sunday, June 18 with 42 other students to begin a one week round of meetings, workshops, and conferences aimed at helping them discover the opportunities and rewards of teaching.

The Institute features lectures by University staff and guest speakers from education. During their stay, the students explored many facets of instruction including educational television, special education, counseling services. Participants also joined in recreational activities, toured Northern's Lorado Taft Field Campus at Oregon, Ill., and picnicked at White Pines State Park.

Dr. Walter S. Foster, associate professor of education, is Institute director.

Lions Celebrate 50th Anniversary

Lions International, the world's largest service organization, will assemble in Chicago, the city of its birth, to celebrate its 50th Anniversary this July.

More than 50,000 people will attend the Golden Anniversary Convention being held in the Chicago Stadium July 5th through 8th.

Founded in June, 1917, the Association now has 21,352 clubs in 137 countries and geographical areas.

The kickoff ceremony will take place July 4th at 4 p.m. with the loading of the Lions Care-Friendship. This is a symbolic loading of the first of more than one million dollars of food and self-help materials collected by Lions Clubs around the world to be distributed this year in countries where Lion Clubs and CARE, Inc., cooperate. These ceremonies will take place at Navy Pier.

FIRST IRON-CLAD BATTLESHIP

Korea utilized the first iron-clad battleship under the direction of Admiral Yi Sun Shin in a victorious battle against Japanese invaders in 1592. The vessel was built in the form of a giant turtle.

Home Adviser In Dallas For Meeting

Mrs. Helen Volk, Lake County Home Adviser, flew to Dallas, Texas, last Saturday to attend a meeting of the Executive Board of Extension Home Economists, of which she is treasurer.

Plans for the National Convention of the Association were made during the three-day meeting. The Board, staying at the Statler-Hilton hotel, represents over 5000 home economists employed by their respective state universities and working as home advisers in counties throughout the United States, including Hawaii, Alaska and Puerto Rico.

Mrs. Volk plans to remain in Dallas until June 30, attending the American Home Economists Association Annual meeting in session this week.

The more than 5000 home economists in attendance at the meetings, and exhibits in the Dallas Memorial Auditorium are exploring opportunities for working with related professionals to meet the present and future needs of families. The over 200 booth exhibits art always a high bringing home economists up to date on the latest developments in teaching aids for family living.

Mrs. Volk, representing Lake county, will no doubt, gather many good ideas and facts to carry out in her own work in the Extension program for homemakers and 4-H members.

Avoid the glare from the driver who is getting a glare from his mirror when you drive too closely to the car ahead of you with your high beams on. Low beams should always be used when overtaking or meeting another car. Switch to low beams early enough to be on low beams when the car ahead or the oncoming car is 500 feet away. Even though the oncoming driver may not lower his lights, don't retaliate by switching to high beams.

The Law Serves You

A Public Service of the ILLINOIS STATE BAR ASSOCIATION

USER INJURED BY DEFECTIVE PRODUCT MAY SUE MANUFACTURER AND/OR SELLER

Persons injured because of a defect in a product have a right of action against the manufacturer or seller of the product or both.

According to the Illinois State-Bar Association, the injured party who purchased or used the product in this state may sue the manufacturer in Illinois courts even though the manufacturer is located in another state. At one time, it was necessary to take action in the manufacturer's own state, but this is no longer true.

If a defective product results in the death of a user, members of the family of the deceased (who were dependent upon him), have a right of action against the product's manufacturer or seller or both. Such persons may seek to recover any pecuniary loss they suffer because of the death.

A person may be unable to recover damages if his injury stemmed from misuse or abuse of the defective product. Misuse or abuse results when the product is employed in a manner which conflicts with normal and reasonable interpretation of the product's intended use.

Also, a person may be de-

Twenty National Guardsmen earned the Medal of Honor, the highest U. S. decoration for valor, during World War II. Three were from Ohio; three from New York; two each from Massachusetts, Wisconsin, Oklahoma, and Texas; and one each from New Jersey, Indiana, Idaho, Virginia, California, and Connecticut.

Wins \$50.00 In Safety Campaign

Mrs. William Drury, RFD 3, Box 327, Antioch, has won \$50 in the WFLD, channel 32, Safe Space Campaign.

The Chicago television station has embarked on a long-term program to cut down on the number of rear end automobile accidents by encouraging a safe distance between cars.

To enroll drivers in the campaign, WFLD offers a free bumper sticker with the slogan "If I Can Stop, Can You?" and a chance to win \$50 in a daily drawing to every motorist who sends his license number on a post card to the station.

denied redress for damages due to using a product he knows to be defective or which is of known inferior quality. In that case, the user is expected to take steps to avoid the harm which he could reasonably anticipate.

Persons who suffer from use of a defective product also have a right of action against the seller or manufacturer and in case of death of the person, the right of action survives to members of his family.

The Upper Room

Read I Peter 2:1-10 You are a chosen race, a royal priesthood, a holy nation, God's own people, that you may declare the wonderful deeds of him who called you out of the darkness into his marvelous light. (I Peter 2:9, RSV).

We have read and heard about the church gathered and the church scattered. We should never forget the importance of the witness of the church when the members go out into the community to live the faith.

The clarity and strength of this witness, however, depends to a large extent on the spiritual strength received by the church when it assembles as a worshipping community.

As a worshipping church, we give thanks to God, confess our sins, and receive forgiveness, hear the Word pro-

VACATION TRIPS

Check your driving habits before leaving on your annual summer vacation! After a long hard winter and a wet, rainy spring, most families are planning their vacation trips. Make sure your driving habits include obedience to traffic laws.

BRAIN SPEED

A professor in the engineering division of the University of Wisconsin says a person can normally process about seven bits of information each second. However, he points out that some people during an emergency can process up to 20 bits of information per second.

THE RIGHT TO BE WRONG

We hold that the greatest right in the world, is the right to be wrong, that in the exercise thereof, people have an inviolable right to express their unburdened thoughts on all topics and personalities, being liable only for the abuse of that right.

Move To Exempt Small Newspapers From High Postage

Chairman Joe L. Evins (D-Tenn.) announced today that he and eight other Members of the House Small Business Committee have petitioned the Post Office and Civil Service Committee to exempt small, independent newspapers from a proposed rate increase.

"The small, independent newspaper has traditionally been the hub around which the life of Small Town and Rural America has revolved," the Committee Members said in a letter to Rep. Thaddeus J. Dulski, Chairman of the Post Office and Civil Service Committee, and Rep. Arnold Olsen, Chairman of the Subcommittee on Postal Rates which is considering the proposal.

"The free circulation of news is a basic element in our democracy," Chairman Evins commented. "The small newspapers should not be overburdened with increased postal rates that could reduce the circulation of these newspapers throughout America."

Chairman Evins continued, "The publishing of small newspapers has never been a high profit enterprise. They perform a vital and essential service and this small business must be protected and preserved."

"Ill fares the land, to hastening ills a prey, where wealth accumulates and men decay."—Oliver Goldsmith.

Antioch On Losing End Of 3-2 Score

Antioch's American Legion team lost a heartbreaking 3-2 to Grayslake last Friday (June 23) 3 to 2.

Antioch had the game tied up in the first of the 6th-inning when rain cancelled the game and the score reverted to the fifth inning tally of 2 to 2. Jody Walleck was the losing pitcher, and Reese was the win-

ning pitcher. Garrett relieved Reese for Grayslake in the cancelled 6th inning. Antioch batted four hits, Grayslake five.

LAKE REGION 3, ANTIOCH 2

The 3 to 2 score persisted in Monday's game against the Lake Region team, with Antioch on the losing end. Ralph Zanck was the losing pitcher, Gjerston the winner.

A spell of wildness on the part of Zanck in the fourth inning resulted in a bases-loaded situation with none out, and Rich Stroner replaced Zanck at the pitcher's mound.

Stroner struck out the first man to face him. The next Lake Region batter tapped out a single, which combined with an Antioch error scored two runs. Another run was scored in the fourth inning by the Fox Lake boys to win the game.

Honored At Retirement

Citations from both the Downey Veterans Administration Hospital and the Chicago VA Regional Office were presented last week to Noel White, retired postmaster of Fox Lake.

Mr. White, age 70, was honored at the tenth District Meeting in the Lake Region American Legion Post quarters in Fox Lake for his "lifetime of service to veterans" both at nearby Downey VA Hospital and throughout the state.

Making the presentations were William W. Bourke, Director of Downey, and John B. Naser, Manager of the Chicago Regional Office.

Tigers Barely Beat Cubs' First Inning

After a fast, furious first inning, it looked like the Cubs of the Gray Division were going to upset the league-leading Tigers of the White Division. The Cubs had tallied up a total of nine runs after the scorecard showed only the first inning. The Tigers, not wanting to risk the chance of losing first place, rallied to hold off the Cubs to only three more runs.

Meanwhile, the Tigers were coming back gathering more runs as they made their way to a victory by edging out the Cubs, 13 to 12. The winning pitcher was Mike Gutowski, and the losing pitcher was Mike Witt.

GIANTS 22, DODGERS 11

On Wednesday, the Giants massacred the White Division Dodgers, 22 to 11. The fifth inning proved to be the Dodgers' Waterloo as the Giants pushed the score with 13 more runs counted. The Giants, who have come alive during the second half of the season, only used 19 batters to accomplish their feat. Jim Wirth hit a grand slam home run in the second and another home run in the fourth for the Giants. Bruce Lindstrom slammed two for the Dodgers. One of these runs was a solo and the other drove two other teammates into home. The winning pitcher was Gary Kleon and the loser was Ron Molini.

Aqua Center News

By Ron Hellstern

The Antioch swimming team is now preparing itself for the first home meet of the year. On July 6 the Libertyville team will be at the Antioch Pool at 7:00 p.m. to compete in races and relays of varying distances.

The four main competition strokes will be used. They are the freestyle, backcrawl, breast-stroke and butterfly. There is no admission charge so the entire community is encouraged to come and support the Antioch Team.

The team roster to date is as follows: 9-10 years, Jean Wauro, Dennis Thain, Bobby Dodd.

11-12 years: Paula Albergo, Randy Tobias, Barbara Dodd, Mark Maras, Carol Seitz, Joellen Zannini, Linda Lagerstrom, Barbara Tanner, John Thain, Karen Bodin, Terry Tobias, Holly Lang.

13-14 years: John Wauro, Charmaine Daniel, John Vojtech.

15-16 years: Linda Walpole, Bill Hanson, Don Hellstern.

Rain Cancels Out Races, Thrill Show

Rain and drizzle was the big winner Saturday night at the Waukegan Speedway. Saturday night as the late model races had to be postponed. Earlier in the week, the Jole Chitwood Auto Thrill Show was lost to the weatherman.

So far in 1967, nine events scheduled for the Speedway have been lost. Promoter Sill says, "This is the worst season I've had, weatherwise. I lost eight events in 1965, but even though the weather has been bad, the competition is the best ever and we are hoping for a strong second half of the season."

150 laps of feature racing are scheduled at the Speedway over the Fourth of July weekend. Fifty-lap features are scheduled for the late models on both July 1st and 3rd, while the Firecracker "50" is carded for the fabulous modifieds on Sunday night, the 2nd.

The Monday night, July 3, races will be accompanied by one of the best fireworks displays in the area. The Melrose Park Fireworks Display Company, which handles all of the fireworks for Comiskey Park, will present a gigantic display in the infield. There will be no increase in the admission price for these special events.

Time trials for all events start at 7 p.m. with the first race at 8.

Harold "Mouse" Wade returned to the Waukegan Speedway Sunday night after nearly a full year's absence and promptly shattered the 30 lap race record by nearly 10 seconds and wound up the big winner in the richest modified payoff of the season.

Two spectacular accidents caused two restarts in the feature. Bill Lemmer and Bill Klein locked together on the first start and Klein ended up atop the backstretch wall. On the restart Jim Ouellette, the Flying Frenchman, came out on the worst end of a three-car accident involving him, Tom Anderson and Bill Bohn. Ouellette rolled over, but later re-en-

tered the event and finished tenth.

Roger Iles paced the feature for one lap, but Wade spurred to the front in the next circuit and increased his lead steadily. Full bore all the way, Wade was not to be

Pyles To Join Rifles Team

In one short week, Coach Cichowski's Lake County Rifles football club will be laboring in 90 degree heat. The Rifles open practice for the '67 season at Mundelein high school Thursday evening, July 6th at 6:30.

Almost all of last year's championship eleven will be returning to the training site. A promising group of 40 or more rookies will be reporting at the same time. They will be seeking a berth on the roster.

Coaches are high on several of the newcomers. One is Don Pyles, a 235 lb. full-back-linebacker from Antioch and Louisiana State. Another highly regarded prospect is Bob Mercelaine, a 6'4" tackle who hails from North Chicago and the University of Iowa.

Coach Cichowski has scheduled a controlled scrimmage with the Racine Raiders on August 5th. The scrimmage will replace the Lake Counties usual intra-squad tilt. A twilight affair, the clubs will meet at the Mundelein training camp.

Cichowski and Racine's coach Harry Gilbert are pleased with the scheduling of the scrimmage. They feel it will provide them with a much better opportunity to observe some of the newer candidates under game conditions.

Rockford Dragway Schedules "500"

The Rockford Dragway at Byron, Illinois, will hold its 4th annual National meet July 1, 2, 3 and 4. This will be the first one held under the NASCAR banner and is the NASCAR "500" of Drag racing. A full field of top name cars and drivers in all divisions is already assured.

The 4-day event kicks off Saturday night at 7 p.m. Sunday will be an afternoon race starting at 2 p.m. Monday will again be a night event and Tuesday, the 4th of July, at 2 p.m. Featured both Saturday night and Sunday will be the NASCAR "Grand Stock Circuit" cars.

On Monday night and Tuesday afternoon the powerful nitro-fuel and gas dragsters take over.

Robin Hoods To Shoot At Annual Jamboree

Would you like to shoot a moving caribou or black bear? If arrows are your game, the West Town's Archery Club of Addison, Ill., will sold its annual 3-D Jamboree on July 8th and 9th.

All the targets are life size animals and a full 3-ft made out of styrofoam and painted so realistically that at 40 yards it looks like the Rhino is going to charge.

The shoot is a two-day affair with separate awards for both days. Saturday night there is a free spaghetti dinner plus a night shoot for prizes.

For more information contact: Abe Bjorklund, 586-7425.

Rubber lined cotton web fire hose was patented by James Boyd of Massachusetts in 1821.

K.C. Tourney Re-Scheduled

Heading for tournament play, the Club Alibi topped Casey's Tap, 8 to 6, in the last rounds of the Knights of Columbus softball play. Lee Williams was the winning pitcher over Frank Heiselman in the game played on Wednesday, June 21.

In another game held at Ingleside, Homan's Sporting inched past Mouldy's, 9 to 8 with Don Gerstein pitching over Willie Grogan.

In a make-up game, Club Alibi crushed Tom's Groceries with a score of 17-5. Don Benz scored a home run on a pitch thrown by the losing pitcher, Jim Hall. Charlie Pierce of Club Alibi was the winning pitcher.

Heavy rains washed out the games scheduled for June 23rd, as well as the June Tournament scheduled for Saturday, June 24th. The semi-finals and finals have been postponed until Saturday, July 1, starting at 6 p.m. In the final games, Bimbo's

Special Program For Night of July 3rd

The thrill of a gigantic aerial bomb bursting into multi-color display against a starlit sky, the thrill of precision driving stunts and ramp to ramp leaps by National Auto Daredevils, plus a special forty lap modified stock car race, will give fans a full measure of thrills on Monday night, July 3, at the Lake Geneva Speed Center.

The King Kovaz Auto Daredevils driving 1967 Dodges will lead off the night with a two hour, 28-stunt program featuring Billy Little of Hollywood, Calif., Rebel Gates, the Dive Bomber King, Buckey Sands, the Human Battering Ram, and Pat Jones, a lady

daredevil driver who will compete against the men in the \$1000 cash prize for top roll over king or queen.

In all there will be more than \$100,000 worth of stunt driving equipment used in the program.

The second big thrill will be the Firecracker Forty modified stock car race for the top 20 drivers at the Speed Center. Included will be Rodger Otto of Burlington, Bill Bohn of Kenosha, Duane Harris of Lake Villa, Claude Potter of Genoa City, Ron Bergsma of Richmond, Tom Anderson of Antioch, Pop Kline of Pell Lake, Jr. Dodd of Waukegan, Don Scofield of West Allis and many others who will make it into the top twenty in point standings when the Firecracker Forty Race starts. Time trials will be held to determine starting positions but the 40-lap event will be the only race that night.

A gigantic display of fireworks will round out the Homan's.

Extra Awards At Race Track

The use of contingency funds offered to further the use of certain products in racing, has long been an established practice, but its adoption to short track racing has been started by the Lake Geneva Speed Center with a first award of \$50 going to the winner of the recent Indy Eve Fifty Feature race.

Now a second local area firm, Sexton Automotive of Antioch, has announced that on the first Saturday night of each month, the winner of the modified feature race will be eligible for the contingency fund award from Sexton, if the winning car is using a Crane Roller Cam Kit purchased from Sexton Automotive.

Many cars at the Speed Center use this cam kit and so the winner of the feature on Saturday, July 1 will probably be eligible for the additional cash award.

Cars driven by Don Scorse, Tom Anderson, Bill Bohn, Pop Kline and John Reimer are among those using Crane Cams from Sexton Automotive.

Program Opens Safe Boating Week

A National Safe Boating Week program will be held at the Grove Marina in Fox River Grove Saturday, July 1. Starting time is 9 a.m. and activities will continue until 5 p.m.

Highlight of the day will be the selection of Miss Safe Boating of Illinois. Bill Berg, Disc Jockey of WIND radio will be master of ceremonies. Some of the judges for the contest will be Harry Volkman, WMAQ-TV weather man; Ray Van Steen, WLS radio. The beauty contest will start at 3 p.m.

Various displays and activities will be on hand throughout the day. An outstanding water ski show will be presented by the Sand Bar Ski Club on the Fox River in front of the Marina at 1:30 p.m.

Rain Cancels...

(continued from page 7) denied and he wound up with a new track record that is not likely to be broken for a long time.

The race for second spot was hotly contested. At the half way point seven cars were tightly bunched for the position. The crowd went wild as Whitey Harris, Chuck Utech, Roger Von Otto and Billy "The Bullet" Bohn jockeyed for position with only five laps remaining.

The finish was close with only five laps remaining. The finish was close with Harris, just beating Utech while Bohn raced by Otto at the finish line in a near photo finish. Wade's record time erased Harris' mark of one year previous.

Bob Olsen won the hobby stock feature while his nearest competitors continued to crash. Frank Ginn finished second and Mike Mierala was third. Joe Innocenzi flipped while running second in a qualifying heat. He was uninjured.

Next Sunday the modifieds will compete in the 50 lap Firecracker "50". This Sunday night's races drew the largest modified crowd of the season under clear skies, but cool temperatures.

Special Program...

(continued from page 7) triple thrill night. There will be aerial bombs, multi-stage rockets, aerial bursts and burning displays to round out a full evening of thrills, excitement and enjoyment.

The program will start at 7 p.m. Regular stock car race admission prices will prevail for this special evening attraction.

KOREAN ECONOMY

Since Park Chung Hee was elected President of the Republic of Korea in 1963, the country's economy has grown at an average rate of 8.5%. The growth rate mounted to 11.9% in 1966. President Park, who was elected to a second two-year term in May, has predicted that the economy will grow by an additional 50% between now and 1971.

Chronic respiratory diseases, including tuberculosis, afflict at least 12 million people in the United States.

Spend Year In Venezuela

Nancy and James Dale Smith returned to the U. S. Friday, May 12, after 15 months in Venezuela. Mrs. Smith is the former Nancy Nemece of Antioch.

James Smith taught Zoology at the University of Oriente in Cumana, Venezuela, during the months they spent there. But not all their time was spent in everyday chores. The Smiths managed to see a great deal of South America during their stay.

During the Christmas Holiday they took a trip to Lima, Peru, to see the Machu Picchu ruins in the land of the Incas. They saw the Andes Mountains and the countryside around Cuzco. They toured the Cathedral where Pizarro, the Spanish Conqueror of Peru, lies entombed in glass.

In June, 1966, Jim attended a Mammal meeting in Brazil and Nancy accompanied him. They toured the

Agricultural Institute, the Cloud Forests and Old Forts.

In Cumana, Nancy shopped in the open market, where little boys waited eagerly for a chance to carry her shopping bags for 1 Bolivar (22c in U. S. money). All food had to be washed. Only distilled or boiled water is used for drinking and cooking.

For transportation to the University, Jim drove his Honda, although trucks were available through the University for his research trips. During these trips, he netted bats in the caves of Venezuela, on the Island of Margarita and on an island called San Francisco de Macao. Nancy accompanied Jim on some of these trips.

The Smiths also did a lot of skin diving in the Caribbean usually with a group from the K. U. Ford Foundation Project.

Before the Smiths left for the U. S., Jim's Biology class

of 18 presented him with an album of pictures of their class and pictures of the University and buildings.

On their return to their home country, the Smiths were met at O'Hare Airport by Nancy's parents, Mr. and Mrs. Joseph Nemece of Antioch; her maternal grandmother, Mrs. August Kuchta, and her aunt, Mrs. William Nerud. Jim's folks drove to Antioch May 13 to visit. The senior Smiths had planned on flying to Antioch, but their plane was demolished by a tornado at Galesburg airport May 6.

The Smiths brought back many items of interest from the country that served as their home for fifteen months. They have a dog

named Putita; a laurel parrot called Jusepin. Even the house they lived in had a name, Alejandrina.

They attended and gave many parties while in Venezuela. One, an Independence Day party on July 4, 1966, was attended by couples from Venezuela, Ecuador, Pakistan, Costa Rica and America.

The Smiths said their trip was a rewarding one and they made many wonderful friends, but on their return to this country they really appreciated the U. S. Nancy's first desire on return to this country was for a huge Chef's Salad.

The Smiths' home is in Lawrence, Kansas.

Jack Spratt enjoyed making money, and his wife enjoyed spending it, so they had nothing to fight about.

Two 4-H'ers Attend Club Week Program

Two young Antioch residents attended the 1967 State 4-H club week program at the University of Illinois, Urbana, June 20-23. Bonnie Davis and Judy Heyrdeis attended the twelve sessions to learn about the different career opportunities.

The "Game of Democracy", designed at Johns Hopkins University to help the 4-H'ers learn about their government and the legislative decision making processes added to the enjoyment of the delegates.

Former Miss America, Marilyn Van Derbur, a well-received speaker at last year's program, delivered her teen-directed message, "Your Goals and Dreams."

Other speakers included J.

THE ANTIOCH NEWS 8 THURSDAY, JUNE 29, 1967

C. Bostain, scientific linguist from the Department of State's Foreign Service Institute; Miss Dorothy Emerson, a "platform conversationalist" and consultant with the National 4-H Foundation; and Orville G. Bentley, Dean of the U. of I. College of Agriculture.

Mrs. Marjorie Robbins, Assistant Home Adviser, Mrs. Melbourne Mudd, 4-H County Chairman and leader of Fireside Chips 4-H Club Libertyville, and Mrs. Edward Heyrdeis, Leader of the Sequoit Suzies Club chaperoned the four day session.

Gambling is certainly a wasteful pastime, yet for every gambler who dies broke, a hundred non-gamblers bore themselves to death."

Mother-Daughter Night

Forty little girls and twenty-six women attended the Lindhurst-Women's Club annual Mother and Daughter night last Thursday. Mrs. James McMillen of Antioch gave the program, displaying several of her beautifully dressed dolls, and having some of the identical queen costumes modeled. A new feature that everyone enjoyed, was using fans that were used by the people of different countries and periods. What seemed to amuse the children most, was the fact that men also carried and used fans. The way a fan was held or used, had a meaning. A different color or size also had a meaning. The program was very interesting, and should be of interest to the people visiting the Illinois State Fair, when Mrs. McMillen takes it downstate.

A clothing resale was held in conjunction with the program. Half of the proceeds went to the club and the other half to the donor.

Former Neighbor Dies

Word has been received that Walter Wells, husband of Mrs. Minnie Wells, formerly of 2204 E. Rolling Ridge Lane, passed away in Chicago two weeks ago. They moved to Chicago about two years ago when Mr. Wells became ill. Our sympathy to his family.

Blessed Event

The reason Jack and Pauline Heick of Fairfield Road, are beaming, is because their daughter, Mrs. James (Margaret) Jilly, presented them with their first grandchild on June 23. He has been named James Alfred, Jr. He weighed 8 pounds, 2 ounces. He was

born at Great Lakes Hospital. Peggy has been living with her parents while Jim has been with the Seebes in Port Hueneme, Calif. He expected to be home Monday or Tuesday to see his son. The equally proud paternal grandparents are Mr. and Mrs. Alfred E. Jilly of 1015 Lakeview, Ingleside. The little fellow is their fourth grandchild.

Anniversaries

Congratulations to Lou and Ruby Swoboda of Valley Drive on their 21st wedding anniversary June 29. They have a daughter, Bonnie.

Gene and Marilyn Biaggi were married 25 years on June 21.

Frank and June Simicek also celebrated their 25th wedding anniversary on June 19. The 20th was June's birthday.

Elmer and Kay Kastings are celebrating 51 years on June 28.

Kon and Terry Erickson are married 12 years. Larry and Barbara Herbert, nine years on June 28, Mr. and Mrs. Henry Piotrowski 29 years on June 27.

Our very best wishes to all of them.

Hospital List

Winona Chapman is a patient at St. Therese Hospital, where she is undergoing tests.

Mrs. Marie Sorensen has been a patient at St. Therese Hospital for some time, and may be there a while yet. A card sent to room 687 will help to brighten her days. Mail is always appreciated when you are in the hospital.

Bobbie Grant was operated on again a week ago. He hopes to come home soon. He has been there since February 10.

Mrs. Donald Blessum was a patient at Victory Memorial Hospital last week.

We wish our friends and neighbors a speedy recovery.

Picnic

8:30 Family Worship services will be held at St. Mark Lutheran Church Sunday morning, but there will not be the regular Sunday School classes. 11:00 o'clock services will be held at Lutherdale Bible Camp. Holy Communion will be at both services.

Everyone is invited to bring their picnic dinner, and enough to share with a counselor or two from the camp, because the cooks will be off that day. There will be swimming, boating, volleyball, softball, horseshoes, and games with prizes for the youngsters. Coffee will be provided, but you are asked to bring your own jug of Kool-Aid for the children with your table service.

Altar and Rosary

The Altar and Rosary Sodality of Prince of Peace Church will receive Holy Communion at the 8 o'clock mass July 2.

Job Openings At Great Lakes

Careers in federal Sales Store Operations are now available with the Army, Fort Sheridan, and with the Navy, Great Lakes. Applications are now being accepted for filing under the new Sales Store Operations Announcement.

Each year thousands of persons parade to doctors and hospitals with injuries ranging from minor to death. The Lake County Safety Commission says that simple precautions would reduce these needless accidents.

Keep your hands and feet out from under the machine. You would think everyone would recognize the danger, but thousands of fingers and toes are lost each year in this way.

Rotary Power Mower Is Dangerous Mechanism

The rotary power lawn mower is the most dangerous mechanism around the American home.

Each year thousands of persons parade to doctors and hospitals with injuries ranging from minor to death.

The Lake County Safety Commission says that simple precautions would reduce these needless accidents.

Keep your hands and feet out from under the machine. You would think everyone would recognize the danger, but thousands of fingers and toes are lost each year in this way.

Never deliberately run over rocks or other objects. A coat hanger thrown by a power mower killed a child.

Don't mow with by standers in the area.

Don't pull a mower toward you. A slip will put your foot under the machine.

Children should not be allowed to operate rotary mowers. Don't risk crippling your children. Assign them safer chores.

Wear heavy shoes, preferably, steel-toed safety shoes. Recognize the danger and act accordingly.

Dr. SIMS says...
SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

BEWARE COMMERCIAL FACE LIFTING

In recent years, a great deal of publicity has appeared on commercial chemical face lifting—an experimental technique for removing wrinkles and rejuvenating the skin.

As a result, hundreds of women have been running to commercial wrinkle-removing emporiums, paying anywhere from \$1.00 to \$4,000 a treatment in their search for the fountain of youth.

For some, the gamble ends in disillusionment; others experience severe permanent scarring or even death. Obviously chemical face lifting—or chemo-surgery as it is referred to by physicians—is nothing to fool around with.

While it has been used by skin specialists and plastic surgeons to help remove acne scarring, freckles and wrinkles, chemo-surgery is only performed on an experimental basis; that is, on a select few under controlled conditions.

The technique basically involves the application of a very strong acid to the epidermis (outer skin) and underlying connective tissues. The acid produces, in effect, a second degree burn. Then a special powder (thymol iodide) is applied to the skin and a thick crust forms. In about five days, this crust sheds, revealing the new skin layer which often appears less blemished—and more youthful looking, at least for a time.

While this is an oversimplified description of the procedure, it makes one thing clear. Chemo-surgery is much too delicate and hazardous to be attempted by a layman. For one thing, phenol, the acid often used in this treatment, is a systemic poison. If absorbed into the system through the skin, it can cause great harm to the kidneys. So can trichloroacetic acid, another commonly used chemical.

The second great danger is scarring or blotchy discoloration of the skin. Even in the hands of a skilled physician, there's no absolute guarantee against scarring. Medical Science is still trying to establish the real benefits and limitations of

chemosurgery. Skin specialists and plastic surgeons all agree that this treatment is still in the experimental stage and should only be used in highly selected cases.

So, ladies, don't fall for advertisements such as found in one leading women's magazine: "To ALL women... Internationally famous beauty consultant offers new faces for old without surgery!"

Instead, seek a critical and cautious appraisal of a medical expert. It's quite literally a question of saving your skin.

BOTHERED BY INSOMNIA?

Do you have trouble falling asleep? If insomnia is your problem, these suggestions may help:

—Set a certain hour for going to bed each night—a regular routine helps you "unwind."

—Engage in a quiet activity—such as a reading—for an hour before retiring. Be selective in what you read; don't choose an adventure story that is too exciting.

—Take a warm bath just before retiring. It will help your muscles to relax.

—Drink a glass of warm milk and, if you're hungry, have a light, bland snack. But don't overeat! Too much food or liquid stimulates the bladder and digestive tract and causes restlessness.

—Open a bedroom window, but don't lie in a draft. —Sleep under one warm blanket in a cool temperature, and avoid "piling on" the covers.

—Wear comfortable, loose-fitting night clothes.

—Buy a quality mattress that is comfortable to you.

—Don't fight insomnia. The amount of sleep necessary varies with individuals—and even relaxation without sleep refreshes the body. If the above suggestions don't work immediately, read and relax.

Sleep will come eventually.

The Army's first Medal of Honor hero in WW I (awarded for an action of July 4, 1918) was Corporal Thomas E. Pope, Company E, 131st Infantry, 33rd Division. Pope was an Illinois National Guardsman.

Legal Notice

AN ORDINANCE RELATING TO ANITA AVENUE

BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE VILLAGE OF ANTI-OCH, ILLINOIS: SECTION 1: NO PARKING PLACE. It shall be unlawful for the operator of any vehicle to stop, stand or park such vehicle in or upon the West side of Anita Avenue, between Depot Street and McMillen Road, within said Village, except when necessary to avoid conflict with other traffic or in compliance with directions of a police officer or official traffic sign or signal.

Appropriate signs may be erected and maintained for the purpose of giving notice in accordance with this ordinance.

SECTION 2: IMPOUNDING VEHICLES.

A vehicle parking or occupying Anita Avenue in violation of this ordinance may be removed by any police officer and conveyed to a vehicle pound. A vehicle pound is any suitable place located within the Village and designated by the Chief of Police as a vehicle pound. The owner or operator of an impounded vehicle may have the vehicle removed from the pound by paying all costs and expenses that have been incurred for the towing and impounding of the vehicle, which shall be in addition to any penalty and court costs charged or assessed against him for any violation of this ordinance.

SECTION 3: PENALTY.

Any person, firm or corporation violating any provision of this ordinance shall be fined not less than Five Dollars (\$5.00) nor more than Two Hundred Dollars (\$200.00) for each offense.

SECTION 4: REPEAL.

All ordinances or parts of ordinances in conflict herewith are hereby repealed.

SECTION 5: EFFECTIVE DATE.

This ordinance shall

Millburn News

By Mrs. Frank Edwards Elliot 6-5795

Regular services at Millburn Congregational Church Sunday, July 2, at 10 a.m.

The "Devotional" Study Group met at the home of Mrs. Gordon Wells last Thursday morning. The next meeting will be held Thursday morning, July 13, at 9 a.m. at the home of Mrs. William Bonner of Gurnee.

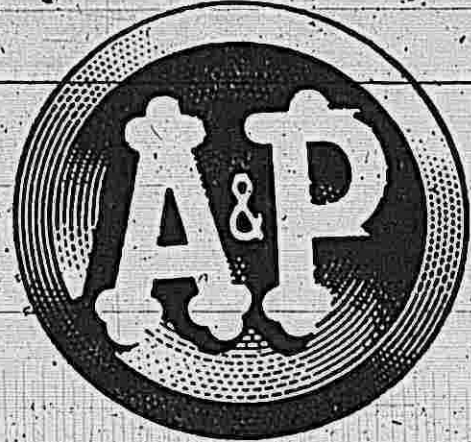

The Millburn Social Club met last Tuesday evening at the home of Mr. and Mrs. Homer White with a pot-luck supper on the White lawn.

Col. and Mrs. John Kaluf of Kensington, Maryland, spent Monday evening at the home of the former's sister, Mrs. Frank Edwards.

Mrs. Frank Hauser returned home Saturday after spending several weeks at the home of Mr. and Mrs. Clarence Hauser of Paris Corners.

Mrs. Harley Clark and son, Glen, spent Sunday evening at the home of Mrs. James Bonner of Kansasville, Wis.

we care

Is it square to be patriotic?

If it is... then, by golly, we're square.
Because we're proud of our American heritage...
grateful for the free enterprise system that has afforded us the privilege
of serving the American people for more than a century.

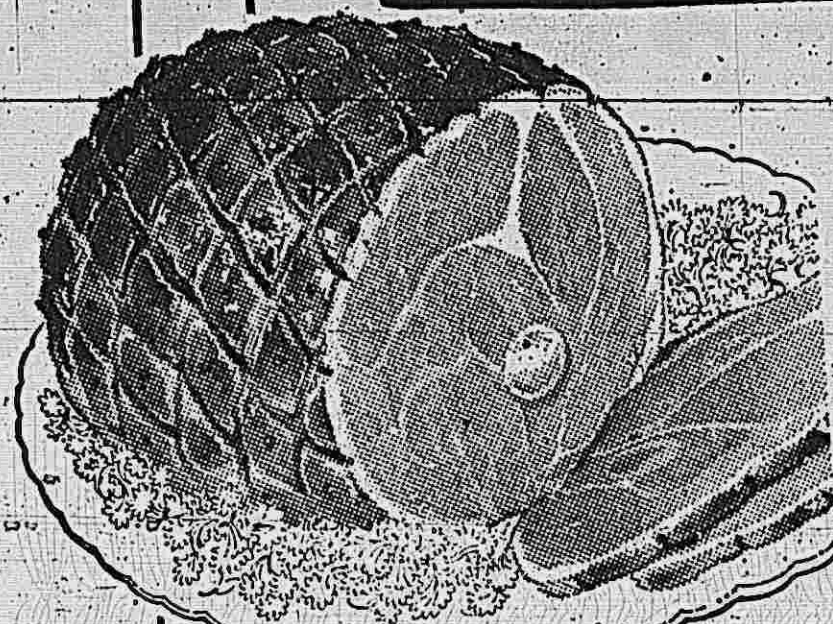

The United States is today,
and has been since its founding, the land of opportunity.
We've been first-hand witnesses to this fact for a long time.
In our business, we've seen good, sound competition grow and prosper.
We welcome it.
It keeps us on our toes.

As July 4th approaches, we want to go on record as saying:
"We're proud of being Americans."

As we said:
"If this be square, then we're square."
